INNOV NEXT

Innovative Solutions for a
Safer, Greener Tomorrow

Product Range

2 WHEELERS

- Rain and Flame Proof
- Swappable Battery
- Extendable warranty upto 5 years

48V-72V/20Ah-40Ah

ELECTRIC CYCLE

- Helong Casing With switch
- Plug and Play Operations
- Lockable and Swappable

24V-48V/10Ah-25Ah

LFP BATTERY

- Safest Lithium Battery with Protection circuit
- 3000Life Cycle
- Extendable warranty upto 10 years

12V-72V/20Ah-400Ah

3 WHEELERS

- long Range
- 1.5Rs/KM Efficiency
- Strong Body with RESET Switch

48V-72V/20Ah-200Ah

GOLF CART

- Smooth operations
- With CAN & IOT Enabled
- Extendable Warranty

48V-72V/20Ah-200Ah

CELL BATTERY PACK ASSEMBLY

- Modular, Easy to Use
- BMS with CAN & IOT
- Long life, cost effective and water proof

3.65V-3.7V/3000Ah-10000Ah

Need Research and Development for your Energy Requirement?

We Specialise in providing RnD Services for your Energy Requirement in the project.

With a Team of Engineers and Technical Experts we help you understand the requirement from the start to execution.

Our Collaboration with Custom BMS Manufacturers and proposed Cell Manufacturers help you achieve the exact solution for your project.

Ask to Get in touch with the RnD Team to Know more.
